

Thinking about starting a Robotics Team ?

FIRSTsteps

FIRSTsteps is a program about how to enter the exciting world of **FIRST** Robotics.

You will gain knowledge on :

Deciding which type of robotics program is appropriate for your needs

Financing a startup

Mentor Resources

Obtaining Technical Support and Training

And other issues

Take the **FIRST**steps towards learning more

Send an email to firststeps@kellrobotics.org

You will be contacted about an upcoming informational presentation.
